## MESSAGE FROM THE MAYOR

Dear Kearny Resident:

I hope you enjoy the 2011 Town of Kearny calendar. This year the calendar features beautiful, original art work created by Kearny School children and is again full of useful information.

Over the last few years Kearny residents have learned to depend on this calendar for important information on recycling, garbage pick-up and clean out days. Please refer to this information and dispose of all of your recyclables properly. Newspaper, cardboard, magazines and junk mail all belong in paper recycling bins. Plastic, glass, aluminum and metal containers are all recycled on the mixed recycling days. Not only is this environmentally friendly but it is required under town ordinances.

The calendar also provides a handy directory of contact numbers and hours and days of operation for Town of Kearny offices. A list of your elected officials is also included.

Please accept my best wishes for a happy, healthy and safe New Year.

Alberto G. Santos  
Mayor

During snow storms, some streets have been designated as “snow emergency” streets because they are primary streets used by police, fire and emergency squad vehicles to respond to emergencies. Signs have been posted on these streets and vehicles parked in violation of this ordinance are subject to being ticketed and towed.

Pitch In — Don't Litter! Litter is a problem that affects our entire community. We all need to "Pitch In" and make an effort not to litter. Litter baskets are placed in numerous locations along our business district. All that is needed is a little support from the community. Place litter in the litter baskets. If a basket is not close by, hold onto your litter until you pass one. A cleaner Kearny is up to you.

Littering violates the law! Summons are mandatory.
